> This fic contains semi-sexual situations, and under-age sex. It also <br> contains enormous amounts of WAFF, should be taken with a dose of
> insulin. This qualifies as a "Lime" and should not be read by anyone <br> under 13. If this were a movie it would have a rating of "PG-13".

>
 The sun was just rising. It's red-orange light spreading through
>Rei's tiny apartment. Through the window opposite her bed, Rei could see
the sunlight stike the buildings, giving the city the

apperance of a
>fiery ora. Rei let out a contented sigh and hugged the body under her
tighter.
>
 As Ikari shifted slightly under Rei, she could help but recall

>the pleasure he instilled in her body and soul. The peace he gave her
mind. The wholeness of her experience with him filled essence and made
>her forget all of the pain she had suffered. Being with him made it all
worth it.
>
 Ayanami slid up Ikari's body, she felt the slickness in between

>their legs, product of last night's copulation. Her nipples still felt
sticky from him suckling on them. As her lips finally made it paralel to
>his, she lowered her mputh onto his. Her tounge made it's way into his
mouth and she moaned as he applied suction to it.
>
 Breaking the kiss, Rei lifted her head up and looked into his

>brown eyes. She smiled warmly at him, her eyes dancing with passion. She
saw the same fire within his eyes. She loved him. She supposed she had
>loved him since the day they met, in one way or another, and she always
would. She knew he loved her. He had saved her life before, without
>worrying about his own physical well being.
> As Rei layed her head down on her lover's shoulder, she felt a
slight regret that they did this so infrequently. She knew that it was
>nesseccary. If they did it more often, people would get suspicious.
Especially Major Katsuragi and Pilot Sorhyuu. Possibly even Dr. Akagi.
>They wouldn't be able to stay together if anyone else knew, so she kept
quiet, something that came easily to her.
>
 Rei pushed all worries of being broken apart from her love out

>of her mind, and simply basked in the post-coital glow. As the emotional
warmth spread through her, she felt her mind being fogged by fatiuge.
>They had been up all night, bodies moving in synch, minds clasping
together in epiphany, souls merging into one perfect entity for a single
>moment, at the climax of their joining. She did not regret last night,
even if she was sore today, even if her legs, thighs, and abdomen ached
>from exertion, she wouldn't trade one second of last night if she were
tortured to the point of death. He offered a sole, brilliant point in
>her otherwise bleak exsistance.
> "I am going to sleep now." she said warmly to her counterpart.

> Rei let out a contented sigh, looking very pleased with herself,
as she slipped off into the peace of a restful sleep.

>
 Ikari pulled the sheets around her sleeping form and smiled to

>himself.
> "Sleep well, Rei." Gendo said softly, as her kissed her lightly
on her forehead.

Author's Notes:
>
Chibi-Katarn: I enjoyed that.
>
Little-Jonny: Me too.
>
Katarn: I finally wrote something all my halucinations can
enjoy!
>
Chibi-K: You mean "we", right?
>
Katarn: Whatever.
>
Chibi-K: My favorite part was tricking the reader into thinking
it was
>Shinji! ^_^
>Little-J: My favorite part was talking about the screwing! ^_^

>Little-J: I didn't know Gendo could be so caring!
>Chibi-K: What, being so gentle with Rei?
>Little-J: No, sleeping in the wet spot. He was on the bottom,
remember?
>Katarn: Yeah, well... anyway.
> This, as the title showed (if you cared to read it or the

warnings), this is a trilogy of fics. This part is the prolouge
to give
>you Shinji-Rei fans, and most Rei fans in general, enough time to
leave
this fic in the dust. Most Asuka and Asuka-Shinji fans will
like this,
>at least _I_ think so. Mainly because some see it as degrading Rei.

That's not what I'm trying to do. I'm trying to capture a part of
Rei in
>character, but outside the normal Rei-fics.
> I really do believe that Rei II and Gendo had sex somewhere

during the series. It fits with both of their characters. Rei
opening up
>only to Gendo, and some extent Shinji. Gendo having the urge to
screw
any woman he uses. Rei II (and probably Rei I as well,
after all, she
>was willing to get herself killed to futher Gendo's plan) would go
along
with anything Gendo told her to do, and probably enjoy the
fact that
>they were sharing something so personal.
> Tell me what you think, e-mail me, visit my website, read my

other fics, rape Chibi-K!
>
Chibi-K: Hey! !_!
>
 Whatever you want, just give me a sign that you actually _read_

>this!!! I don't care if it's positive or negative!!! <p><p>

End
file.
